MG28S-T1P

Model No.	MG28S-T1P
Net capacity(L)	80
Bottles to hold	28
Rate voltage/ frequency(V)	220-240V
Power input(W)	95W
Range of inside cabinet temperature	5-22°C
Range of inside cabinet humidity	> 60 %RH
Pattern of control	Computerized
Ambient temperature	0-38(°C)
Form of cooling system	By compressor
Number of Racks	3 full sized and 1 half sized
Door style	2 layers glass door with black colour plastic doorframe
Cabinet colour	Black
Type of rack	Wooden
Interior light	Yes
Cooling system type	No frost
Body dimensions (W×D×H)mm	450×490×930
Carton dimensions (W×D×H) mm	520×560×975
Net weight(KG)	40
Gross weight(KG)	42
Loading quantities of container	20'GP:88units 40'GP:184units 40'HQ:232units

Bottles to hold

Price
\$580

MG54S-U1P

Model No.	MG54S-U1P
Net capacity(L)	168
Bottles to hold	54
Rate voltage/ frequency(V)	220-240V
Power input(W)	120W
Range of inside cabinet temperature	5-22°C
Range of inside cabinet humidity	> 60 %RH
Pattern of control	Computerized
Ambient temperature	0-38(°C)
Form of cooling system	By compressor
Number of Racks	3 full sized and 1 half sized
Door style	2 layers glass door with black colour plastic doorframe
Cabinet colour	Black
Type of rack	Wooden
Interior light	Yes
Cooling system type	No frost
Body dimensions (W×D×H)mm	595×600×970
Carton dimensions (W×D×H) mm	650×665×1020
Net weight(KG)	53
Gross weight(KG)	56
Loading quantities of container	20'GP:54units 40'GP:108units 40'HQ:142units
