## Chile

### **CASADONOSO**<sup>®</sup> W I N E R Y

Viña Casa Donoso is located in the heart of Maule Valley, one of the most traditional wine regions of Chile. Maule Valley is part of the DO (Denomination of Origin) Central Valley of Chile. Viña Casa Donoso made its way into the market, at a time when the Chilean winemaking industry started to get more sophisticated. In 1989, a group of foreign investors, captivated by the beauty and the potential of the environment, bought Fundo La Oriental, a historic domaine in the very heart of Maule Valley. During several years, Viña Casa Donoso has developed a collection of highest quality products, and its catalogue shows some exceptional labels: The Icon of the winery "D" Casa Donoso, its Super Premium Perla Negra, launched this year, and the Premium wines Casa Donoso 1810 and Casa Donoso Clos Centenaire, followed by the Gran Reserva Bicentenario and Reserva Evolución. All of these wines have been elaborated with carefully selected grapes and show a unique and unmistakable character.
